SUB: APPRECIATION LETTER FOR COKEBUSTER COMPANY

On behalf of MAB Management I would like to express our appreciation to you personally and to the skill-full team that carried out the pigging activity of the ARDS Heater H-12-101 from 4th November, 2006 until 6th November, 2006.

The Cokebuster team displayed a very positive attitude and professional qualification to carry out the very unique heater.

In particular we would like to thank you for your support to MAB to successfully implement the new idea of the sleeve.

In the meantime we thank Mr. Scott and Mr. Garry for their input to modify the tip of the sleeves.

We hope that our relationship will be fostered further in future.

Best Regards

Nasser Al-Shamma
Manager, Technical Services – MAB
